For fairness, Mustang classes have been divided into three separate categories: **Factory Stock, Personalized, and Modified**. To show your Mustang, please read the criteria on the page to the left, and add up your points so you know which category you're in. It's that easy! Be sure to include your points total on your entry form below.

- <sup>1</sup> These classes may be split into "Ultra Modified" or "More Stock/Less Stock" classes, based on size and a sliding points scale. Be sure to correctly fill in your points total.
- <sup>2</sup> A Day-of-Show class has been added in case there is limited space left on show date. We will do our best to park DOS cars in their correct classes. Please call or email us!
